

Flometrica

Series A

Rethinking medical testing in urology

FLOMETRICA
PERSONALIZED ■ ACCURATE ■ DISPOSABLE ■ DIAGNOSTICS

Market opportunity

\$3bln

60% of population

above 60 will suffer from
urological problems

Two medical tests

LUTS & BPH

Reimbursement

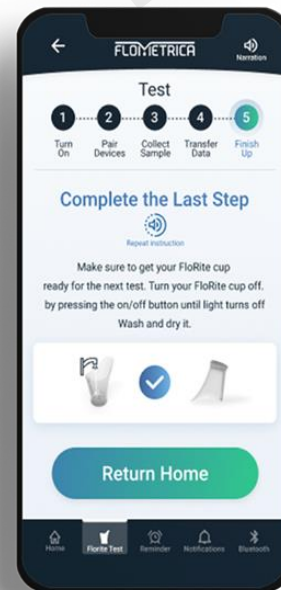

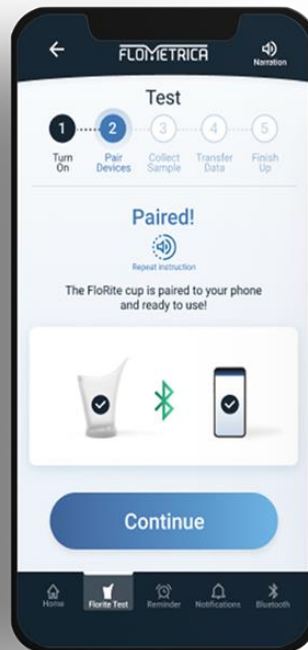

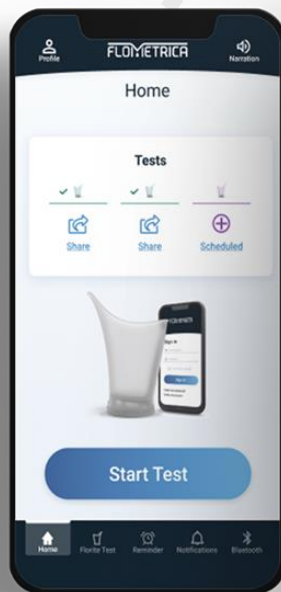

covered by medical insurance

Problem

- Testing at hospitals mean long queues
- Need a medical professional
- Expensive & time consuming
- Uncomfortable
- Limited clinical data collected

Test in the comfort of your home

Our technology

Flometrica cup

Flometrica app

Flometrica SaaS
